THIS WRIT PETITION COMING ON FOR PRELIMINARY HEARING IN 'B' GROUP THIS DAY, THE COURT MADE THE FOLLOWING:-

ORDER

Mr.K.V. Dhananjay, learned counsel along with Mr.Arvind B Patil for Mr.Jayaram K, learned counsel for the petitioner.

Mr.Abhilash Vaidyanathan, learned counse; along with

Mr.Manu Kulakarni for Smt.Sanjanthi Sajan Poovayya, learned counsel for the respondent No.2.

Mr.Shantha Kumar S.P. for Mr.S.H.Prashanth, learned counsel for respondent No.1.

Mr.S.R.Dodawad, learned Central Government Counsel for respondent No.3.

In this petition under Articles 226 and 227 of the Constitution of India, the petitioner inter alia seeks quashment of order dated 15.05.2018 passed by the Returning Officer as well as a writ of mandamus directing the respondent No.1 to count voter verified paper audit trail (hereinafter referred to as 'the VVPAT' for short) in respect of 271 polling stations of Govindrajanaqar Legislative Assembly Constituency No.166 (hereinafter referred to as 'the Constituency' for short). The petitioner also seeks a writ of certiorari to quash the process of election of Polling Station No.190 of the Constituency.

2. The facts which are not in dispute lie in a narrow compass. The office of the Chief Electoral Officer viz., respondent No.2 has been constituted under Section 13A of the Representation of People Act, 1950 (hereinafter referred to as 'the Act' for short) to supervise the preparation, revision and correction of all electoral rolls in the State of Karnataka subject to superintendence, direction and control of respondent No.3. The respondent No.2 is empowered to conduct all the elections in the State of Karnataka. The respondent No.2 conducted the 2018 Assembly elections to the Karnataka State Legislative Assembly. The election for the post of member of Assembly to the Constituency was held on 12.05.2018. The petitioner participated in the aforesaid election and lost the election by a margin of 11354 votes out of a total vote count of 1,57,231.

3. The petitioner on 15.05.2018 i.e., on the day of counting of votes, made an application to the Returning Officer under Rule 56D of Conduct of Election Rules, 1961 (hereinafter referred to as 'the Rules' for short) at about 1.09 p.m., in which inter alia it was stated that the petitioner has serious objection of Electronic Voting Machine being tampered in polling booths Nos. 7, 22, 34, 42, 44, 62, 63, 65, 77, 88, 92, 102, 137, 140, 159, 160, 185, 187, 192, 206, 207, 208, 209 and 210. Therefore, a request was made to the Returning Officer to count the VVPAT slips. The Returning Officer by an order dated 15.05.2018, examined the complaint of the petitioner and rejected the same. In the aforesaid factual background, the petitioner has approached this court.

4. Learned counsel for the petitioner submitted that the integrity of the poll process is an end in itself and is not a mere means to an end and Rule 56D of the Rules, secures integrity in the poll process. It is also argued that failure of Returning Officer in properly applying Rule 56D of the Rules can be questioned in a writ proceeding instead of filing a petition under Section 80 of the Act. It is further submitted that since the petitioner is not seeking a change in the outcome of the election, therefore, he need not file a petition under section 50 of the Act. It is also urged that Rule 56D is couched in very wide terms and it is universally recognized that Electronic Voting Machines are by their very nature and design are prone to error and manipulation. Therefore, the concept of voter VVPAT was introduced in India. It is also urged that Rule 56D of the Rules does not enumerate or limit the circumstances that must be present before a candidate seeks a tally of VVPATs with the reading given by the Electronic Voting Machines for a given polling station. It is further submitted that the Returning Officer can refuse to accept the plea under Rule 56D of the Rules only on the ground that the request is frivolous or unreasonable. It is also pointed out that in the instant case, the Returning Officer did not or could not conclude that the request made by the petitioner was either frivolous or unreasonable. It is also submitted that the Returning Officer has misdirected herself in deciding the application filed by the petitioner inasmuch as the application need not be allowed if there exists the prospect of a candidate being declared as a winner.

5. It is also urged that in case the Returning Officer would have ordered tallying of VVPATS for 24 polling stations, severe mismatch of votes would have emerged and Returning Officer would have been forced to acknowledge the defects in the EVMs deployed in the Constituency. It is also submitted that Rule 49MA of the Rules is not widely known to the voters and therefore, are hesitant to invoke it in view of criminal sanction to a voter who cannot establish the error to the satisfaction of

Presiding Officer of a Polling Station. It is therefore submitted that impugned order be quashed the Returning Officer be directed to tally VVPATs of the Assembly Constituency as sought for by the petitioner as no prejudice would be caused to any person or to the Election Commission of India. It is also submitted that petitioner is ready and willing to bear the expenses incurred, if any, in undertaking such a exercise. In support of aforesaid submission, reliance has been placed on decisions of Supreme Court in **'SUBRAMANIAN SWAMY VS. ELECTION COMMISSION OF INDIA', 2013 (10) SEC 500, 'ELECTION COMMISSION OF INDIA VS. ASHOK KUMAR', AIR 2000 SC 2979, 'KAMAL NATH VS. ELECTION COMMISSION OF INDIA', WP (CIVIL) NO. 100 OF 2018, PRAKASH JOSHI VS. ELECTION COMMISSION OF INDIA IN WP (CIVIL) NO.983 OF 2017, 'MANUBHAI CHAVADA VS. ELECTION COMMISSION OF INDIA', WP (CIVIL) NO. 1012 OF 2017, 'CHANDRABABU NAIDU VS. UNION OF INDIA', WP (CIVIL) NO. 273 OF 2019.**

6. On the other hand, learned counsel for the respondent No.2 while inviting the attention of this court to Rule 56D of the Rules as well as the guidelines issued by Election Commission of India submitted that the order has been passed by the Returning Officer bearing in mind the guidelines as well as the statutory mandate contained in Rule 56D of the Rules and the impugned order does not suffer from any infirmity warranting interference of this court in exercise of powers of judicial review. It is further submitted that polling in respect of the Constituency was held on 12.05.2018 and counting of votes took place on 15.05.2018. It is also argued that even if the application filed under Rule 56D of the Rules would have been allowed, the same would not have affected the result of the election in any manner. It is further submitted that in the fact situation of the case, no case for interference in exercise of powers of judicial review is made out especially when the exercise of the same would amount to an exercise in futility. In support of his submissions, learned counsel for respondent No.2 has placed reliance on decisions of Supreme Court in **'K.VENKATACHALAM VS. A.SWAMICKAN AND ANOTHER', AIR 1999 SC 1723, 'PONNUSWAMI VS. RETURNING OFFICER, NAMAKKAL CONSTITUENCY', (1952) SCR 218, 'MOHINDER GILL AND OTHERS VS.CHIEF ELECTION COMMISSIONER AND OTHERS', (1978) 1 SCC 405, 'ELECTION COMMISSION OF INDIA VS. ELECTION COMMISSION OF INDIA', (2013) 10 SCC 500.**

7. I have considered the rival submission and have perused the record. In the context of relief sought for by the petitioner, the scope in this writ petition is confined to examining the validity of the order dated 15.05.2018 passed by the Returning Officer Under Rule 56D of the Rules. At this stage, it is apposite to take note of Rule 56D of the Rules, which is reproduced below for the facility of reference:

56D. Scrutiny of paper trail – (1) Where printer for paper trail is used, after the entries made in the result sheet are announced, any candidate, or in his absence, is election agent or any of his counting agents may apply in writing to the returning officer to count the printed paper slips in the drop box of the printer in respect of any polling station or polling stations.

(2) On such application being made, the returning officer shall, subject to such general of special guidelines, as may be issued by the Election commission, decide the matter and may allow the application in whole or in part or may reject in whole, if it appears to him to be frivolous or unreasonable.

8. From perusal of Rule 56D of the Rules it is evident that the Returning Officer has to decide the application subject to general or special directions as may be issued by the Election Commission. In the instant case, the Election Commission of India has issued the guidelines, which read as under:

(a) Whether the total number of votes polled in that polling station is greater or lesser than the margin of votes between winning candidate and candidate making the application.

(b) Whether EVM had a problem and was replaced at that polling station during poll,

(c) Whether there was any complaint about VVPAT not printing or complaints by any voter under Rule 49MA in that polling station during the poll.
